

Questions for the final meeting

During the final meeting/discussion the following questions should be discussed:

- How could you evaluate the group mentoring process?
- Did the participation in the mentoring process fulfil your expectations?
- In what situation were you before starting to participate in the mentoring process?
- Have you succeeded to reach your goals?
- How could you evaluate your current situation after finalising the group mentoring process?
- Are you happy in what you have reached?
- If you would start the process again, will you do everything in the same way or would you change something?
- Do you think you could achieve more?
- Do you think that the group mentoring process was organised properly?
- Does the communication with the mentor and/or other mentees was fluent?
- What are your plans for the future – will you continue to search for the job or the possibilities to be active in the society etc.?
- Do you plan to meet the mentor and/or other mentees in the future?
- Would you like to become a mentor in the future?
